2. BEFORE YOUR ARRIVAL

2.1 Placement test

Once your admission process has been completed, you will receive an e-mail outlining the placement test procedures. Your result on the placement test will determine in which level you will be placed for the 5-week program. You will receive an e-mail indicating your choice of course based on your test result. **N.B.** Make sure to check your junk mail folder.

Important

- Take the **test without any help** so that the **level** in which you are placed can be **as accurate as possible**.

2.2 Special needs

If you have a condition requiring special treatment (e.g. learning disabilities, blindness, wheelchair access, etc.), please let us know by completing and sending us this form [before your arrival](#).

In that way, we can facilitate your immersion experience.

- [Special Needs form](#)

2.3 Monportail.ulaval.ca

You will receive your IDUL (Identifiant Université Laval) by e-mail from the Registrar's Office. This e-mail will also invite you to create your NIP (ULaval password) ([link](#)).

With your IDUL and NIP, you'll have access to monportail.ulaval.ca. On this site, you can access your course sites, get your transcript, student card and official documents.

2.4 Student card

You will receive a message on [monPortail](#) or on your ulaval.ca email address, inviting you to submit a photo for your [digital](#) UL student card. Go on [carte-identite](#) to complete the process. Your student card will be available on the same address. We recommend you download the application.

2.5 Select your mandatory workshop preferences

Each week, students must participate in a conversation workshop and in another one mandatory thematic workshop selected from a list posted online. In all, students take part in two compulsory workshops per week. Each workshop lasts between one hour and half and two hours. Students will receive their workshop schedule during first week.

5. PROGRAM & SCHEDULE

Classes are held in the mornings from Monday to Friday, with the last Saturday of the session.

CREDIT COURSES

You will receive an e-mail to make your course selection after completing the placement test. Your schedule will be available online before classes start: sitescours.monportail.ulaval.ca/cours.

Not-for-credit courses

Your schedule will be sent to you a few days before the beginning of the semester.

6. EXTRACURRICULAR ACTIVITIES

When not in class or in their [mandatory workshops](#), students practice French by participating in a wide variety of workshops and sociocultural activities.

Most of the workshops and activities offered are free.

6.1 Optional sociocultural activities

We offer more than 70 free activities and workshops each term. These free optional activities are perfect opportunities to speak French, discover Quebec area and francophone culture.

Students sign up on the day of the activity in the “Espace interculturel DKN-1211”

More details will be provided upon your arrival.

6.2 Special paying activities

These activities will occur during evenings and Saturdays.

We recommend that you bring around \$150 to cover expenses for such outings.

Prepayment or deposit required.

Places are limited. We recommend that you buy online as soon as possible.
