¹ Université Laval and the ministère de l'Enseignement Supérieur reserve the right to modify these amounts.

² Canadian students pay, for the FLS courses, the same fee as Québécois students.

³ This amount must be sent with any new admission request and is non-refundable.

⁴ These fees cover all fees other than application fee, tuition fees for foreigners, pedagogical and health insurance fees.

⁵ International students who are enrolled in a program leading to a degree (bachelor's, master's or doctorate) and a French course will be exempt from supplemental tuition fees for this course only.

⁶ Visiting and foreign students who register for courses at Université Laval must subscribe to the university's health and hospitalisation plan.

For further information: <https://www.ulaval.ca/en/international/immigration/enrolling-in-the-health-and-hospitalization-insurance-plan-for-international-students>

⁷ Special pedagogical fees may apply to on-campus courses. Visiting students must also pay these fees.
